A GUARANTEE IS GIVEN for work executed by O. and A. for THREE YEARS, free of any expenses.
For particulars, samples, and list of prices, at the Office, 6, Guildhall-chambers, Basinghall-street, City.
July, 1852.

N.B. It is particularly recommended to Architects, Builders, &c. by the "Asphalte Company," for the purpose of securing the use of the genuine article, to insert in their specifications, "Seyssel Asphalte, CLARIDGE'S PATENT."
Messrs. ORSI and ARMANI beg to call the particular attention of Architects, Engineers, Builders, &c. that the CLARIDGE PATENT HAVING EXPIRED, they, by inserting it in their specifications, will apparently continue a monopoly in favour of a single company; therefore, Messrs. ORSI and ARMANI warmly advise, and would sincerely thank, Architects, Engineers, &c. &c. if in future they would insert in their specifications ONLY "SEYSSEL ASPHALTE,"—WITHOUT SPECIAL MENTION of ANY NAME of COMPANY, PATENT, or INDIVIDUALS, thereby leaving Builders, Contractors, &c. at liberty to use (by their approval and consent) the best genuine "Seyssel Asphalte,"—that one will assure to them the most efficient work GUARANTEED, and that will unite a good and sound workmanship with the cheapness of the prices.
